FOUNDATION PST

Performance Summary to 30 September 2009

Notes

* Strategy return after tax, investment and management fees

^ Strategy return after investment fees, but before tax, management fees and performance fees (for comparison with the benchmark)

For periods greater than 1 year the performance shown is the annualised return

FYTD: Financial Year To Date

Where a strategy receives Australian company dividends, the strategy will utilise the rebate attributable to it.

Benchmark Returns do not include taxes; investment and management fees.

The above Returns have been produced from historical data. Past performance is not an indication of future performance.
